

Cheyenne Soccer Club

Policies

October 2022

The policies of the Cheyenne Soccer Club (CSC) are generally established to facilitate the conduct of Club business and to communicate those to the soccer community. They may be amended by a simple majority of Board Members voting at a Board meeting. The CSC policies are organized into 8 areas listed below. The Club policies apply to the Board or the Club as a whole. The other policies are specific to the different programs.

These policies contain the following Articles:

ARTICLE I. Club Policies	1
ARTICLE II. Recreation Program.....	5
ARTICLE III. Advanced (Sting) Program.....	8
ARTICLE IV. Adult Program.....	14
ARTICLE V. 3v3 Program.....	15
ARTICLE VI. Futsal	16
ARTICLE VII. 9U-10U Youth Academy	17
ARTICLE VIII 9U-10U Player Developmental Program (PDP)	17

ARTICLE I. Club Policies

Section 1. Risk Management

WSA background check procedures will be followed for all youth coaches and volunteers who work directly with youth players.

Section 2. Youth Player Supervision and Communication

All CSC youth activities should have at least two adults present and at no time should one adult be alone with one child. It is also highly recommended that all non-Cheyenne Soccer Club sponsored activities be discussed and approved by all parents.

Do not leave any player unattended.

Coaches should only contact players through the parents or guardians. Direct communications between coaches and players not associated with practice or games is not allowed. Coaches should not communicate directly with players via phone, text messaging, email, or social media (e.g., Facebook, Twitter, etc.).

Section 3. Participation

All registered Cheyenne Soccer Club teams will play under the Club's name in tournaments or developmental leagues.

Per WSA guidelines, a player may only play for one club at a time.

If a Cheyenne Soccer Club team will be playing in a tournament, all players must be registered. If a player wants to register with the Cheyenne Soccer Club and did not play with Cheyenne Soccer Club in the fall or spring Cheyenne Soccer Club season, then that player must register with CSC so that they are covered by WSA insurance. They may be required to pay the full season fee depending on the circumstances.

Section 4. Board Member Participation Policy

The CSC Board of Directors is a working board. As such, Board members are expected to attend Board and Committee meetings and contribute to the success of all the programs. Board members who are unable to meet their obligations should discuss the problem with the President and consider stepping down to make room for a replacement.

Each Board member's attendance shall be accounted for over a period of one year and shall be counted from the beginning of each member's term of office, or from the beginning of the calendar year whichever is more recent.

A Board-attendance problem occurs if any of the following conditions exist in regard to a Board member's attendance of board meetings:

The member has three absences in a row; or,

The member misses more than one third (1/3) of the total number of Board meetings in a twelve-month period.

A Board-attendance problem may also occur if a Board member consistently does not participate in committee activities or help with projects such as goal setup, helping at the fields on game days, soccer swap, coach packet pickup, tournament, etc.

Procedure:

If a Board-attendance problem exists regarding a member, the President will promptly contact the member to discuss the problem. The President will share the member's response with the entire Board at the next Board meeting.

In the next Board meeting, the Board will decide what actions to take regarding the Board member's future membership on the Board. The member can be subjected to a motion of removal from the Board of Directors. Any Board member present at the meeting may make this motion. All Board members are eligible to vote, and a two-thirds (2/3) majority of those present is required to pass the motion.

If the motion for removal passes, the Board member will be expected to transfer any materials relating to his or her position to the President or President's designee. If the Board member is an officer, a resolution

appointing a new person to the position should be passed as soon as possible.

Section 5. Player and Parent Conduct

Each program will develop a Parent/Player handbook which outlines codes of conduct. These handbooks must be approved by the Board.

Section 6. Violation of CSC Policies

If the Board determines to impose a penalty for violation of the Cheyenne Soccer Club Policies, the penalty shall be determined by the Board.

Section 7. Protests and Appeals

The Executive Committee of the Board will serve as the Protest and Appeals Committee, which shall have jurisdiction to hear and determine the following matters:

Appeals from censuring, suspending or removing participants, directors, coaches or players from CSC. Notices of appeal must be submitted to the Protest and Appeals Committee within fourteen (14) calendar days following a decision by the Board of Directors.

The Protest and Appeals Committee may hold a hearing and receive evidence.

A decision must be issued within seven (7) calendar days from the date of the hearing, or, if no hearing is held, within seven (7) days from the date the Protest and Appeals Committee holds its meeting.

The decision of the Protest and Appeals Committee is binding.

Section 8. Referees

CSC will contract with a referee assignor to assign referees for all games.

CSC will only use certified referees for Recreation, PDP, Sting and Adult league games and the CSC Tournament. Some exceptions may be necessary for Recreation league games but are to be avoided to the greatest extent possible.

Advanced Referee pay is determined by CSA. Recreation, Rec Plus and Adult pay rates are as follows:

Group	Center Pay	Assistant Pay
U10	\$20	--
PDP	\$25	\$20
12U	\$25	\$20
14U	\$30	\$25
19U	\$40	\$30
Adult	\$35	--

Bonus Pay:

2-man team, both referees receive center referee pay
Iron-man: +\$10 for 12U, +\$15 for 14U and above

CSC will pay adult and recreational referees twice during the season. One payment will be made midway through the respective season and once at the end of the season (no later than 3 weeks from the end of the recreational season).

CSC will provide the opportunity for coaches of advanced teams (CSC and opponents) to provide feedback on the officiating. Those comments will be provided to the referee assignor.

Section 9. Game Cancellation

The Cheyenne Soccer Club Board or Directors or EDOC shall determine when, and if, games are to be cancelled. The Board/EDOC will take into account weather, field conditions and player safety. No other person or group (such as coaches) may cancel games. Individual games may be cancelled at referee or game day coordinator discretion if weather, field or other conditions warrant.

Section 10. Tournament

Tournament fees shall be approved by the CSC Board of Directors
Tournament bracketing will not employ "cross bracket" play.

Section 11. Sponsorship

CSC has a sponsorship program which allows supporters to advertise at the fields, on the web site and in newsletters.

Section 12. Logos

The CSC and Sting logos are the property of the Club and cannot be used without the consent of the Board. This applies to both individuals and/or teams.
Uniformity and team image of both the teams and the CSC will be maintained.

Section 13. Registration

CSC will use the GotSoccer system to register players for all programs.

Section 14. Medical Release

Coaches for any youth players must have an approved medical release form provided by CSC in their possession that has been signed by at least one parent or guardian. These must be in the coach's possession during all practices and games.

Section 15. Birth Certificate Policy

CSC will not require a copy of a birth certificate to be on file for a participant in the youth recreational league. However, if there is a question regarding a participant being in the correct division, a copy of a birth certificate may be requested. The parent/guardian will then have two weeks to provide the club

with a copy of the participant's birth certificate.

CSC will require a copy of a birth certificate to be on file for a participant in the PDP program, Advanced (Sting) program or on a team participating in an open tournament.

Section 16. Alcohol, Abuse of Drugs and Controlled Substances

The possession, consumption or use of any alcoholic beverage, drug of abuse or controlled substance at the field area by any player, coach, referee, team or CSC official or spectator immediately prior to (including travel), during or after the playing of any CSC soccer game or function is prohibited. Any individual who violates this prohibition shall be subject to disciplinary action.

Section 17. Changes to These Policies

The Cheyenne Soccer Club season will consist of eight regularly scheduled games. If two or more games are missed, the Cheyenne Soccer Club Board has the option of scheduling make-up games.

Cheyenne Soccer Club games can only be made up through an official Cheyenne Soccer Club makeup schedule, or with approval from the Cheyenne Soccer Club Board.

games between Cheyenne Soccer Club teams are considered scrimmages and not an official Cheyenne Soccer Club game. No Cheyenne Soccer Club referees will be present.

Section 4. Team Formation

Recreational teams will be formed based on player requests and local neighborhoods as much as possible. If there is no special request CSC will attempt to place players on teams with other children from the same school. Requests to play on a specific team will be met to the extent possible. Priority will be given to players staying on the same team.

Vacancies can only be filled through the club registrar. Players that are not registered with the club are not covered by CSC insurance and the coach is liable for any problems that arise.

No roster adjustments unless approved by the Director of Member Services. A fee may be applied to a change.

Section 5. Changing Teams

If players are registered for both fall and spring sessions, they will remain on the same team for both sessions. The jersey received in the fall will be the player's jersey for the spring.

Section 6. Practices

Soccer practices may be held three times per week prior to the start of the season and two times per week during the season. Scrimmages, non-league games and scheduled evening games count as practices.

Team Finances

Tournament fees and tournament bond are the responsibility of each team. The Board may opt to pay some tournament fees.

Each team shall be accountable for all funds collected for team expenses. Within one month of the completion of the spring season, the team representative responsible for team finances will present to the parents/team members an accounting of the financial activity for that year. This statement will begin from the start of the fall season to the completion of the spring season, to include state and regional tournaments, if applicable.

In the event that a team dissolves the team representative responsible for team finances shall close the account and divide the remaining money evenly among the players on the team at the time it dissolves. The money shall be disbursed within one month of the final game.

A team may reimburse a coach for travel expenses. The Board may reimburse the coach for expenses with the team, (i.e., telephone calls, stamps, copies, etc.).

Section 2. Coaching

The Executive Director of Coaching, EDOC, shall be the main point of contact to discuss coaching problems and other issues of concern to coaches.

Assistants are to be selected by the head coach and approved by the Board.

Should a player have a concern, the issue should be first addressed to the coach. If concern still exists, it can be brought to the attention of the Executive Director of Coaching for resolution. Any unresolved issues can be brought to the Executive Committee of the Board for resolution, pursuant to the Protest and Appeals Procedure.

Section 3. Registrar

The Registrar shall be appointed by the Board. The Registrar will be under contract for the fiscal soccer year to consist of the fall and spring seasons. A copy of the contract will be kept on file with the Secretary of the Board.

Section 4. Team Uniforms

The representative colors of Sting shall be black, gold, and white.

The Advanced Program Committee will determine the official club uniform(s). Each player must have this uniform.

Section 5. Team Composition

If there are more than enough players to form one team, the teams will be called Gold, Black, and White. The Gold team will consist of those players determined by the coaches to be of that ability and capable to be the most qualified to make that team the most competitive.

Selection and Player Movement

Full tryouts for all Competitive Program teams will be held once a year, at a date(s) set by the Board. The date(s) will allow adequate time for compliance with CSA/WSA registration timelines. Each selected player makes a commitment that they shall play on such team for one year for younger age groups and one season for the HS aged players.

All players must register with the intent to play, and make themselves available at the kickaround / tryout including those who were already on the team. If a player is unable to attend, including previous team members, notification by the parents needs to be given to the coach. Each situation will be considered individually by the EDOC / Board.

Gold team coach will conduct the tryout, but must discuss with Black (and White) team coaches' various ideas. An outside third party will also participate in the tryout to assist with player evaluation. During the tryouts, Gold, Black and White coaches will confer about probable players (attitudes, coachability, attendance at practice, etc.).

All players will be given numbers. All coaches will use the evaluation forms developed by the EDOC for decision-making purposes. All players must be critiqued, no exceptions.

At the end of the tryout all players must leave the field (go home). Upon the departure of the last player the coaches and third party will begin the comparison of their player evaluations.

At the time of selection, coaches are free to select or cut any players, but must retain at least one-half of the players from the previous season roster if the coach wants to keep their division placement.

Coaches for each respective age group will determine the gold team based on the athletic ability, coachability, dedication of player and family, and willingness to be a team player. Upon completion, all coaches must meet with the EDOC, for final approval. After approval has been given, Gold team coaches are required to contact each individual trying out. Players will be given 24 hours after notification to make their decision and inform the coach.

After the Gold team roster has been set, then the Gold team coach will

notify the Black team coach to inform him/her of the players he/she has chosen. At this time the Black team coach can notify his/her team. The same process and timeline as outlined above is followed. *The decision of the team coach and the EDOC is final.*

Player movement between Sting teams is designed to form the most competitive team in each age group.

If a team does not have 14 players who have registered and paid their fees by July 1, the decision to disband the team will be made by the Board. This date allows players the opportunity to register for the recreational program when it is not possible to field a Sting team.

Player Movement

Movement between Gold, Black, and White teams must be initiated through coaches first prior to contact with a player and parents. The EDOC must then be notified of the potential for change. Players are not to be contacted directly until the EDOC gives authorization. Movement between the Gold, Black, and White teams must be cleared through the EDOC. Final changes are then reported to the Director of Member Services / registrar.

Movement between teams must comply with WSA and CSA rules.

No player signed for a seasonal year with another competitive Clubs team or another Advanced/Competitive Program team, may play for an Advanced Program team *or another team* without obtaining a previously signed release form. The player should ask his present coach for the signed release form. If the coach refuses, this player, not the coach, should take the matter up with the Board. Movement within an age division must follow USYSA/CSA/WSA guidelines and be approved by the EDOC.

If a new player arrives during the season, the player will be placed on a team according to his/her abilities as determined by the EDOC and all interested age specific coaches. The athlete will be evaluated during a scheduled practice session determined by the EDOC and the interested coaches.

All player movement between the Fall and Spring Seasons must be completed ten (10) days prior to the registration deadline. Care should be taken to preserve each team if possible. Player movement must be discussed with the EDOC and the coaches of the teams involved, with final approval by the EDOC.

Section 6. Playing Up

Players may play up if grade appropriate. Exceptions can be made if necessary to complete a roster at the discretion of the Board.

Section 7. Playing Time

There is no guarantee of playing time. Coaches should attempt to ensure each player plays in each half of each game, provided that player has been responsible in attending practices and games.

Section 8. Coaches Guidelines and Rules

Coaches Meetings

Coaches meetings are held at the discretion of the EDOC. Notification shall be given by the Director of Coaching in advance of each meeting. The coach and assistant coach are expected to attend.

Coaching issues, rule changes, tryouts, and other coaching items, will be addressed. Coaches' concerns will be addressed at coaches' meetings. EDOC will approach the Board.

Sting coaches are also expected to participate in the CSC Coaching and Player Development Committee.

Equipment Inventory

Each coach is required to maintain an inventory of team soccer equipment, which was acquired for the team through team or CSC funds. CSC equipment shall be returned to the EDOC

Each team shall be provided a first-aid kit by the Board or as needed.

Behavior

While coaches are expected to do their best to field winning teams, it is equally important that they set an example of fairness and sportsmanship for their players, assistants and all team family members. Their conduct at games and practices should be courteous and sportsmanlike toward their players, opponents and referees. Coaches are responsible for assuring that their spectators behave in the same way. If they are dissatisfied with the officiating, coaches will use available channels to voice their complaints. Any violations of rules of appropriate coaching behavior will result in appropriate action by Board.

Coaches' Licenses

Sting coaches, like players, are expected to learn and improve. A Sting coach must have the Grassroots license after completion of the first year of coaching, and a "D" license within two years after obtaining an "Grassroots" license. Coaches may be removed from positions for failure to comply with this requirement. Coaches should avail themselves of other instructional resources. Assistant coaches are also encouraged to continue their education.

Use of Fields

The EDOC shall determine rules for practice times and use of soccer fields in Cheyenne in cooperation with the Board and the Cheyenne Parks and

Recreation Department.

Section 9. WSA/CSA

The Advanced Program is governed by the Bylaws of the Cheyenne Soccer Club and, where applicable, the WSA and CSA Bylaws and Rules. Pursuant to CSC/WSA/CSA rules, the Board may adopt Guidelines and Policies that differ from WSA/CSA rules for “the purposes of in-house team play”.

Section 10. Standards Of Conduct for Players

The following standards are established by the Board or WSA/CSA to govern the behavior of soccer players before, during and after soccer matches, including, but not limited to:

Do not address remarks to opposing players, coaches, spectators or referees. Except when remarks convey genuine friendship and respect or in response to questions by the referee.

Do not retaliate when fouled.

Avoid comments or gestures, which express disagreement with referee's calls (These are cardable offenses).

Never use foul language or obscene gestures.

Displays of temper will not be tolerated on the field or in the playing area.

Convey a consistently positive attitude toward your teammates and coaches. (Your true strength of character will be displayed on the field when you are under pressure and your team is losing. What kind of person are you in such situations?)

Play against your opponents, not the referee. (Worry over referee calls with which you disagree can distract you from playing your best. Fewer than one in one-hundred calls have any influence in the outcome of a game.)

Players who persist in violating these standards of conduct will jeopardize their standing as players within Advanced Program or WSA/CSA. Flagrant disregard for rules of play and conduct will result in strong disciplinary action including possible loss of standing, loss of out-of-state travel privileges, or complete removal from the Advanced Program.

Section 11. Standards Of Conduct for Soccer Spectators

The following standards are set forth to govern spectator conduct before, during and after soccer matches:

Take a position on the opposite end of the field from the other team's supporters.

Do not address remarks to referees, opposing players or opposing fans (This, of course, does not apply where remarks express genuine

friendship and encouragement).

Never use foul language or obscene gestures.

Avoid remarks toward your own team players that make mistakes. If you are aware of the error, you may rest assured that the player is even more aware.

Applaud superior play by both teams.

Give consistent support to coaches and managers whether winning or losing. Coaches are contributing hundreds of hours to your players and are committed to their own continued improvement as a coach. In winning, they deserve your congratulations; in losing, your encouragement.

Always stay two (2) yards or more from the playing field.

Cooperate immediately with any referee request.

Avoid comments and gestures, which express disagreement with referee calls. Prolonged remarks or abusive disagreement with referees' calls may result in a penalty to your team's coach or manager.

Persons who cannot conduct themselves in the above manner are not welcome at any CSC, WSA/CSA soccer matches. Individuals who persist in violating these standards will be asked to leave the playing area and play will be suspended until they do. Failure to respond to such a request within two (2) minutes will result in forfeiture against the offending spectator's side.

Section 12. Misconduct

All participants in Advanced Program activities shall be subject to all misconduct rules contained herein or in the Rules and Procedures of CSC, WSA/CSA regardless of whether a yellow or red card was displayed by the referee.

Misconduct may include use of profanity, acts of violence, disrespect for referees, or as otherwise defined in the CSC Bylaws or the Bylaws or Rules of the WSA or CSA.

Misconduct may be reported directly to the Committee. Allegations of misconduct shall be handled in conformance with the Advanced Program or WSA/CSA rules on misconduct including disciplinary procedures and penalties and the protest and appeals procedure.
